GLRR 1991 Two Mile Series

The 1991 Two Mile Series has come and gone and this year's event was probably the most successful ever.

More than 230 people ran at least one event in the eight week series, and each Wednesday night, an average of 90 runners toed the line. Special thanks go to Nancy Chapman, Jim Concannon, John Meehan, Bill Mahoney, Dave Piantaggiani and Joanne Toppin for their capable assistance throughout. The results of each runner's best time are posted

elsewhere in this edition, but I thought it appropriate to present the first ever Two Mile Series awards.

Fastest Time (Male) - John Doherty and Eric Beauchesne (9:19). **Fastest Time (Female)** - Peg Donovan (10:30).

Perfect Attendance - the following people put up with this torment for 8 consecutive weeks: Dick & Kevin Curtin, Carl Fetteroll, Dick Marchand and Jim Shelton.

Best Finish - Week 8; a dead heat between Doug DeAngelis and Eric Beauchesne (9:33).

The "Brady Bunch Award" - this goes to the family with the most running members, and it's shared by 5 groups with 4 family members each: the Fleming's (Tom, Jeanne, Colleen and Andy), the Febbi's (John, Dorothy, Tye and John Jr.), the Maslowski's (John, Sue, Kate and Allyson), the Roy's (Dan, Derek,

President's Message

This is a special issue of *Starting Lines*. Besides sending it to our membership, it is also being mailed to all runners who competed in the Great Legs Road Race, the Worthen House Run, and the GLRR Two Mile Series. If you are not a member of a running club please consider joining GLRR. There is no other running club in New England that will offer you a better value for your running dollar than GLRR. Check out our application on page 6.

Since the last edition of *Starting Lines*, much has happened on the local running scene. First, kudos to Jean Boswell for organizing this year's club outing. Everyone there had a good time. There was plenty of food, drink and activities for the children. Our next two social events are the Adult's Christmas Party (December 6) and the Children's Christmas (December 7).

Nine enthusiastic teams from GLRR competed in this year's Lake Winnepesaukee Relay. It was great to see all that greenery running around the lake. Every team did a fabulous job! I don't have all the results, but I do know our male masters won by a margin of 42-minutes and our female team won by a margin of 21-minutes. The GLRR post race party, organized by Mary Bourret, was lots of fun and very enjoyable. It was great to see so many club members cheering on their teammates at the finish — Good Job!

During the past month, the club competed in two NEAC races -- the 8KM in Lowell and 15KM in Webster. Our female open, female seniors, and male masters teams were victorious in both events. Also of special note, GLRR was the only club to score teams in all divisions for both races. The current NEAC standings can be found page 3.

Our Fall coaching session kicked off in September with a change in staff.

Due to a difficult work schedule, Bob Hodge resigned his coaching position. (Yes, some elite runners do work for a living!) Bob has done a tremendous job coaching GLRR and will be missed. Replacing Bob is Coach Arthur Demers. Coach Demers credentials include NH All-State runner at Pelham High School, cross country captain at both Plymouth State and U-Lowell, and assistant coach to George Davis at U-Lowell. Please join me in welcoming Arthur to our staff.

We ended September with the eighth and final running of the Jim Witt Road Race. Unfortunately due to difficult economic times, Jim Witt can no longer support this race. Jim Witt has been a good sponsor of running over the past eight years and we applaud their past support. Special thanks to race director Dave Crocker who put on this year's event under difficult circumstances. You did good Dave.

The next few months promise to be as busy as the last few. On October 20th we have our own Bay State Marathon and Half-Marathon. This is one event I hope you will support by either running or volunteering to help. John Meehan has worked very hard to develop this race into a high caliber event. All he needs now is race day help, so please call him at 508/957-3178 and volunteer.

November brings the return of the Run Your Turkey Off 15KM/5KM/1M Races and the TAC National Cross Country Championships at Franklin Park in Boston. Finally, the running year ends on December 1 at the Eight Annual Mill Cities Relay. I hope all our member old and new participate in these events. See you later, gotta run. -- Dave Camire

The "Cruise Control" Award - throw away your watch and put it on autopilot when you run with Peg Donovan (10:30/10:31/10:30) and Stoddard Melhado (10:12/10:11/10:10/10:09).

Most Improvement (Male) - Andres Garcia (12:22/12:01/11:35/11:20/11:05/10:54), over 6 consecutive weeks. He also threw in a 4:56 mile, just for good measure.

Most Improvement (Female) - Quesen Brown (14:53/14:08/14:00/13:30), over 4 consecutive weeks. She also ran a 6:05 mile.

The "This Is Why John & I Do It" Award - to Tom McCartney and Jon Schaufus, both 16 years-old, for shaking hands with, and thanking John and me after the last night's festivities were over. The last time a 16 year-old held out his hand to me was to ask for the car keys. -- Jay McCarthy

Try Us, You'll Like Us . . .

Why are so many runners joining the GREATER LOWELL ROAD RUNNERS? Well, for one thing, the GLRR is a full service running club. We offer something for every type of runner, be they a 10 minute miler or a sub-5 minute miler. We have a very solid youth program, with expert coaching and parental involvement. We have coaching available to our members at large, with individual instruction as needed. Our social activities are top notch and we have a pretty good time together, whether we are working out, racing or socializing. Oh, by the way: our membership fees are \$5.00 (students), \$10 (individual), and \$15 (family). Extremely reasonable, don't you think? We would like you to be a member of our club. Just fill out the attached membership application and mail it to us. Why not enjoy the many benefits of being a Greater Lowell Road Runner?

GLRR benefits include a monthly newsletter, racing teams, monthly meetings, Boston Marathon bus and hospitality suite, Summer and Fall coaching sessions, Calendar-of-Events (mailed six times annually), Youth running clinics, 2-Mile Series (Summer), Fudgical Series (Winter), Twosome Relay and brunch, Mill Cities Relay, Lake Winnepesaukee Relay, Nashua-to-Hynes Fun Run, Annual Awards Banquet, Summer Outing, Adult's Christmas Party, Children's Christmas Party, and much, much more . .
